

# **Radhika Shah**

## **Vice President**

**Radhika Shah is a second-year student studying environmental science with a minor in oceanography and a focus in environmental policy. She currently serves as a Community Relations Facilitator (CRF) in West Hall, focusing on promoting social justice in residence halls. Her work has involved building inclusive communities, educating others, and striving to break down existing systems of oppression.**

**Radhika is also a fellow for Our Climate—a millennial-run organization dedicated to passing a federal carbon price. In service to this goal, she has lobbied both state and U.S representatives, seeking local support for climate legislation. Formerly, she has done work with the Climate Neutral 2025 committee through Student Sustainability Initiative on campus.**

**Outside of her work as CRF and with Our Climate, Radhika is currently chapter treasurer and a recruitment head within Alpha Omicron Pi, and a staffer for the Honors College.**

**As Vice President, Radhika aims to make advancements towards campus sustainability and increase transparency within ASOSU.**
