

## Candidate Biography

This is my first year at OSU-- and Oregon for that matter-- so I want to make the most of it. I am a transfer student from Loyola Marymount University in Los Angeles and previous theatre major. Now, I am an anthropology major emphasizing in cultural anthropology and triple minoring in political science, global diversity studies, and french. Currently, I am hall council president for Halsell Hall on campus and applying to be an RA or CRF next year. I love to help out and work hard, no matter how weird that may sound, so I want to be involved in as much as I can to make this a place that I can call a home away from home. I believe that change is possible and there is always something to fight for. Also I love dogs.
