

A Little Bit About Me

My name is Justin Bennett, currently a second-year student majoring in English and Education, with a minor in writing. Ever since I started attending OSU, I have made sure that my time does not go to waste here and have continually striven to make a change on OSU's campus.

My active involvement has ranged from being elected as an ASOSU Senator last year to my current involvement within the House of Representatives. I have worked with ASOSU's VoteOrVote campaign, am an active member of the National Society of Leadership and Success, am a mentor to McNary Hall's Hall Council, work closely as a member of the English Student Association, and I am also a member of the Phi Kappa Phi Honor Society.

A little bit about me: I enjoy reading, writing, and hiking. I am a native Oregonian, and am also a strong proponent for honey greek yogurt and dogs. I have an identical twin brother, graduated valedictorian of my class, and am a first generation college student.

All of these are important, but ultimately, I want to be an advocate for the students of OSU! I know that by voting me, we will be able to make a difference on this campus.

Thanks for getting to know me, and remember to Vote Bennett for House Representative!
