V. New Business

VI. Old Business

- a. Signing Authority for Contracts Statute Review
 - i. Nothing in the section for a senate wide notification prior to signing, unless there is overspending by 10% of original allocation
 - ii. Currently a gap in statue
 - iii. Different branches have signing authority over their defined indices
 - iv. For the sustainability initiatives index, the money that wouldn't be spent would just be put in the fund balance. This is based on yearly expenses. It is hard to calculate how much money we have in the fund balance and is based on convention and not statute mechanism. It could be a good idea to create a separate account.
 - v. Interested in looking at the ASOSU unit fund balance and how it is divided up
- b. Statutory Compliance Review
 - i. OGEC is currently doing a preliminary review into public meeting law for the JC
- c. Updates on Alternate Advisor Options & Implementation of [SB 84.03](#) "Partial

Student Fee Refund from Administrative Salary Allocations”

- i. Since this is less than 5% will funds be drawn from somewhere else?
 - ii. Challenge from a writ about if veto overrides constitute $\frac{2}{3}$ of all senators at a meeting or senate seats
 - iii. Equal Pay Act - Main parts of it were in effect when \$15 passed
- d. Reviewing SB 83.23 “ASOSU Code of Conduct”
- i. Appeals - ethics committee then escalated to the senate
 - ii. Expanded on the code of conflict report form - Explain your conflict or violation of the governing documents using specific, concise and objective language, and include all relevant evidence.
 - iii. Possibly create an office hours guide - bookings link
