Email response draft to Joseph:

Hi Joseph,

On behalf of the students, thank you for taking the time to answer our questions and being open to work with us.

We still have some follow-up questions that we feel could be best answered in person. We also were hoping to go over some of our concerns in the places on campus that students have voiced concerns about. Some of the places we were hoping to walk around were SW Washington Way between 30<sup>th</sup> and 35<sup>th</sup>, the area around Goss Stadium, and the McNary fields. These were the most commonly noted places on campus that students had concerns about in terms of lighting aside from the parking lots in general. Would it be possible to go on a night walk in these areas to go over these concerns?

Our committee usually holds meetings on Monday nights at 8 PM, we would be more than happy to go for the night walk during this time if that works on your end. If not, we could do any time after 6 PM on Sunday as that is when our committee is available. Though we understand that this is the weekend, and if this is not feasible then after 6 PM on Monday, Tuesday, or Friday works as well.

Looking forward to connecting,

Thank you,

Campus Improvements Committee
