Minutes:

Called to order at 3:51 pm.

Unanimous consent for agenda achieved.

Representative Rang is not present to give an update, so business item C was not discussed.

Eco2Go: Tobi Davies (Sustainability Coordinator) is interested in collaborating on restarting the Eco2Go program. Rep. O'Donnell was given a contact in the UHDS office by Sen. Xander. An introductory email can be sent out with SC members CC'd.

Slide creation: Sen. Alto is the only group member with Canva experience and as such will be responsible for creating the distribution materials.

Comments:

- Sen. Alto encouraged members to reach out to local businesses for the bike lock initiative
- No meeting next week (11/27)

Meeting adjourned at 4:09 pm.
