## Minutes/Discussion Notes:

Call to order 5:05pm

Take turns w/ minutes

### Parking pass project updates:

- Basic needs doesn't want to associate with project, want ASOSU to distribute & implement ourselves
- Perhaps attach parking passes to scholarships - would only be honors for now
  - Still need decision package w/ amount of \$\$ to provide to honors college
  - Scholarships are need based already
  - Concerns with who applies to these passes
- Or supply fee funded units
  - Employees would receive parking via ASOSU
  - Does not guarantee low income would be the audience
- Are there other scholarship opportunities that hit a bigger demographic & need based instead of honors college?
- Could also consider doing this through grants as well
- Would need or propose decision package & include how much money would be needed
- Discuss application process through ASOSU
  - Who distributes and reviews applications? Decisions made within committee - well supported by CIC members
  - Make a document/ proposal for Matteo to look over
  - How to advertise?
  - Need to bring to different sectors for input
    - Contacts: Dylan Perfect
  - Shifting to solely ASOSU rather than looking for other organizations to distribute
- Next steps:
  - Writing proposal - Everyone edit last proposal before next meeting w/ comments, edits, suggestions (work on through on suggestions)
    - Access to the proposal:  
[https://docs.google.com/document/d/1k3Cef350F\\_6iFza8L1Xj8nd8rzGU\\_CbH7-RnBzN2\\_tHA/edit](https://docs.google.com/document/d/1k3Cef350F_6iFza8L1Xj8nd8rzGU_CbH7-RnBzN2_tHA/edit)
  - Ask the House to read the proposal - maybe a poll to gauge support?
  - Potential all students list in Winter
  - How much does the budget cover and how many passes are we buying? - add to document

### Bike Lock Survey:

- Reaching out to business/ organizations about donations for the bike locks (call or in person)
- Savannah sent a link of the bike survey - share with instructors to reach out to students

Adjourned @ 5:27pm
