The House Projects Committee is working together with the Human Services Resource Center to promote Beavers Fight Hunger—a fundraising effort designed to raise money for the HSRC's food pantry—to students at Oregon State and the surrounding community.

The HSRC food pantry supplies fresh and canned goods at no cost for anyone who needs it in the community. If you or someone you know has the ability to donate towards this great cause, please visit https://www.beavsgive.org/organizations/beavers-fight-hunger. If not, we ask that you spread the word to your friends and family, especially through social media.

For any questions or comments, please contact Kathy at huka@oregonstate.edu.
