Dear Candidate,

This is the ASOSU Elections Packet for the 2015 Election Cycle. I appreciate your interest in our election and all the information you would need should be contained within the pages of this packet. This year we are continuing the system of instant runoff voting (IRV). This is a system that will continue to require a little bit of education on our parts, but will hopefully continue to yield positive benefits. The overall elections themselves will also be shorter this year but the voting period will be double what it has been in years past. We will be holding the polls open for two weeks this year and students will have the opportunity to change their votes if desired.

Elections can be a trying time for all and so I will do what I can to make this a positive experience for everyone involved. That being said students want fair elections and students deserve fair elections. We have worked to ensure that the rules are as clear and concise as possible, so ignorance or confusion will not be acceptable excuses for the violation of rules. If at any point you are unsure about something regarding the election I urge you to contact me as soon as possible.

These elections will be responsible for the selection of a new ASOSU President & Vice President, Speaker of the House, Senators, and House of Representatives Members with the addition of the 11 new constituency seats outlined in JB 06.21. This packet will contain all dates, deadlines, and regulations that will be relevant to your election experience.

Go out there and engage the students you aim to represent so that we can create the student government that students want and need. It is time to usher in a new era of diverse and accessible government for all students and there is no better time than now with the recent opening of the Student Experience Center. Best of luck to all the candidates and I look forward to your bold visions for the future of ASOSU.

Sincerely,

Bryan R. Williamson
